I, Saurav Choudhary, S/o Shri Desh Raj, resident of Abdulpur, PO. Zamanabad, Tehsil & Distt. Kangra, Himachal Pradesh. I belong to Ghirath backward classes. My family was a poor family. I was selected for the B.Tech course but due to my weak financial position, I was unable to take admission.

Through an advertisement in a newspaper, I got to know about the loan scheme of NBCFDC which is being implemented by the Himachal Backward Classes Finance and Development Corporation (HBCFDC). Under the Education Loan Scheme of NBCFDC, I wanted to take a loan for my study. Then I contacted the office of HBCFDC and applied for the loan. I was given an amount of Rs. 2,00,000/- dated 05.12.2013 to complete my B.Tech course.

Now I am currently working as a Junior Engineer at Himachal Pradesh State Electricity Board (HPSEBL), Kangra Himachal Pradesh.

I sincerely thank NBCFDC and HBCFDC for providing me with a loan under concessional finance to complete my studies.
