I, Rabari Karnabhai Prabhatbhai s/o Rabari Prabhatbhai Jethabhai, Village & Post Gokulpura, Tal, & Distt. Gandhinagar, Gujarat. I belong to a backward caste. I had completed my Bachelor of Engineering in Electrical and wanted to start a small business of Xerox repair and service. I am not used to earning more money and it had become difficult for me to meet the monthly household expenditure.

An advertisement in the newspaper got to know me about the loan scheme of NBCFDC which is implemented by Gujarat Gopalak Development Corporation Ltd. Under NBCFDC Scheme, I wished to take a loan and started my Kirana Shop. Then I contacted the office of Gujarat Gopalak Development Corporation Ltd. and applied for a loan. I was given an amount of Rs. 2,00,000 on 13.11.2017. After that, I started my Xerox repair and service shop.

Before obtaining a loan, my income was around Rs.60,000/- per annum and after starting the Xerox repair and service Shop, my income increased by Rs. 1,20,000/- per annum. Now I am prospering and I am now able to save money for the future.

I sincerely thank NBCFDC and Gujarat Gopalak Development Corporation Ltd for their support.
