I, **Geeta Rani**, W/o Shri Anil Kumar a resident of village, Atwan tehsil and district Kurukshetra. I belong to backward caste. My husband is a labourer. The condition of our house had very bad due to the lockdown. There was no source of income. The monthly expenses of the house were not running. Even the children were not able to study.

One day, Haryana Backward Classes and Economically Weaker Sections Kalyan Nigam organized a camp in Kurukshetra, under which I came to know about the self-employment scheme of NBCFDC, which is being implemented by Haryana Backward Classes and Economically Weaker Sections Kalyan Nigam. I know the work of Tailoring, so I contacted the district office of Haryana Backward Classes and Economically Weaker Sections Welfare Corporation to open my Tailoring unit and applied for a loan under the Self-Employment Scheme. I was sanctioned a loan of Rs.50,000/- on 10.12.2021.

After that I started my Tailoring unit and my Tailoring unit started running well and income also started getting good. Before taking loan my income was Rs. 8,000/- per month which is increased of Rs.12,000/- per month. Now I am able to educate my children and the monthly household expenses are also going well. I am very thankful to NBCFDC and Haryana Backward Classes and Economically Weaker Sections Kalyan Nigam for giving the loan.
